

Southland Trade
Moyock, North Carolina

Smoke Odor Exterminator Candles

Established in 1972, Southland Trade is considered a landmark in the Northeastern North Carolina area. We are located between The Outer Banks of North Carolina and Viginia Beach, VA. More specifically, we are on Hwy 168 South headed towards the Outer Banks. We are the locals' favorite spot, and a renowned food and shopping destination for travelers heading to and from the Outer Banks. We serve thousands of customers daily.

Southland Trade Corp, 141 Caratoke Hwy, Moyock NC 27958

All information you share with Southland during the course of the use of this website is used only by Southland Trade Corp and only for the purpose of conducting business with you.

Registration: Registration is optional when placing orders. When you register, the only information stored is your name, email, phone, and address. This is the minimum information that is needed to ship your order and contact you if required.

Order Data: Order data is stored securely on our server only long enough to process your order. Our server is managed by professional e-commerce hosting specialists in a secure facility.

Logs: Any log data generated by shoppers is used on in "aggregate" for the purpose of gauging store activity levels and traffic as well as to analyze the effectiveness of promotions. No log data is ever used to individually identify any shopper.

Cookies and Session ID: Our site uses "cookies" and assigns session IDs to shoppers. These are used only for the functioning of the shopping cart -- to retain your basket contents and "recognize" your account when you log in and shop.

Email Address: We do not share customer email addresses with anyone other than UPS for the purpose of shipment tracking email updates. Email addresses supplied on orders are used only to contact customers about said orders and to provide status updates. If you also sign up for our email list, then we will occasionally send news updates about happenings at our site or our physical store.

Display Advertising: This site uses display advertising via Google's Adwords. Specifically we use the remarketing feature. Visitors can opt-out of Google Analytics for Display Advertising and customize Google Display Network ads using the Google Ads Preferences Manager.

Shipping and Return Policy

Returnable items ordered from Southlandtrade.com can be returned for a refund to the same credit card used for purchase within 30 days of the order date. Items should be returned in resellable condition, not opened, and not damaged. At our discretion, we may charge a 15% re-stocking fee if items are returned in any other condition. Please understand we cannot accept returns on any food items.

To initiate a return, please use the "Contact Us" link at the bottom of the page to contact us via email or phone. Please include your order number, date, and name when contacting us.

Smoke Odor Exterminator Candle Honeydew Melon

5-70 Hour Burn-Time! Nt Wt 13oz. Also called " Smoker Candles ". These are great at eliminating strong cigarette, cigar, and pipe tobacco odors.

But they also work well for any odors -- like pet odors. Wick wire cores are ZINC -- safe for people and the environment. Wax is a paraffin and soy blend.
